

Nuverra Announces Trading On The NYSE American Expected To Commence October 12, 2017

SCOTTSDALE, Ariz., Oct. 6, 2017 /[PRNewswire](#)/ -- Nuverra Environmental Solutions, Inc. ("Nuverra" or the "Company") today announced that its common stock has been approved for listing on the NYSE American. The Company's common stock is expected to begin trading on October 12, 2017 under the ticker symbol "NES."

About Nuverra

Nuverra Environmental Solutions, Inc. is among the largest companies in the United States dedicated to providing comprehensive, full-cycle environmental solutions to customers focused on the development and ongoing production of oil and natural gas from shale formations. Our strategy is to provide one-stop, total environmental solutions and wellsite logistics management, including delivery, collection, treatment, recycling, and disposal of solid and liquid materials that are used in and generated by the drilling, completion, and ongoing production of shale oil and natural gas. The Company provides its suite of environmentally compliant and sustainable solutions to customers who demand stricter environmental compliance and accountability from their service providers. Find additional information about Nuverra on the Company's website, <http://www.nuverra.com>, and in documents filed with the U.S. Securities and Exchange Commission ("SEC") at <http://www.sec.gov>.

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of Section 27A of the United States Securities Act of 1933, as amended, or the "Securities Act," and Section 21E of the United States Securities Exchange Act of 1934, as amended, or the "Exchange Act." These statements relate to our expectations for future events and time periods. You can identify forward-looking statements by the use of words such as "anticipates," "expects," "intends," "plans," "predicts," "believes," "seeks," "estimates," "may," "might," "will," "should," "would," "could," "potential," "future," "continue," "ongoing," "forecast," "project," "target" or similar expressions, and variations or negatives of these words. All statements other than statements of historical fact are statements that could be deemed to be forward-looking statements, and any forward-looking statements contained herein are based on information available to us as of the date of this press release and our current expectations, forecasts and assumptions, and involve a number of risks and uncertainties. Accordingly, forward-looking statements should not be relied upon as representing our views as of any subsequent date. Future performance cannot be ensured, and actual results may differ materially from those in the forward-looking statements. Some factors that could cause actual results to differ include, among others: the effects of the restructuring on the Company and the interests of various constituents; risks and uncertainties associated with the restructuring process, including the outcome of a pending appeal of the order confirming the Plan and our ability to execute the requirements of the Plan subsequent to the Effective Date; our ability to obtain approval of the Bankruptcy Court with respect to motions or other requests made to the Bankruptcy Court; the Bankruptcy Court's rulings in our chapter 11 cases and the outcome of our chapter 11 cases in general; our ability to comply with the covenants and other terms of our credit facilities; our ability to timely list on the NYSE American; the potential impact of litigation; uncertainty relating to successful negotiation, execution and consummation of all necessary definitive agreements in connection with our strategic initiatives; whether certain markets grow as anticipated; pricing pressures; current and projected future uncertainties in commodities markets, including low oil and/or natural gas prices; changes in customer drilling and completion activities and capital expenditure plans; shifts in production in shale areas where we operate and/or shale areas where we currently do not have operations; control of costs and

expenses, including uncertainty regarding the ability to successfully implement cost-management initiatives; liquidity and access to capital; compliance with the terms of agreements governing our financing; and the competitive and regulatory environment. The forward-looking statements contained, or incorporated by reference, herein are also subject generally to other risks and uncertainties that are described from time to time in the Company's filings with the SEC. Readers are cautioned not to place undue reliance on these forward-looking statements, which reflect management's views as of the date of this press release. The Company undertakes no obligation to update any such forward-looking statements, whether as a result of new information, future events, changes in expectations or otherwise. Additional risks and uncertainties are disclosed from time to time in the Company's filings with the SEC, including the Annual Report on Form 10-K for the fiscal year ended December 31, 2016, as well as Quarterly Reports on Form 10-Q and Current Reports on Form 8-K.
